GREAT FORGERY.

Bonds of \$100,000 Found Bogus and Broker in Flight.

Cincinnati, O., May 1.—The forgery of \$100,000 worth of improvement bonds at Wood County, O., and the mysterious disappearance of Arthur L. Rich, a prominent broker, has just become known. It is believed Rich is now on his way to Honduras, having eluded pursuers by jumping from the window of a Pullman car at Dayton, O.

Brokers who were associated with Rich in several large business deals have taken up \$65,000 worth of the spurious bonds that were pledged with the banks as collateral for loans and secured those institutions against loss.

It is also known that Rich personally placed \$25,000 worth of the bonds with other banks. Last February R. S. Briggs & Co., L. H. Wooley and A. L. Rich, became engaged in a deal to take over the gas, water and electric plant of Beloit, Wis. While the brokers in Beloit, engaged in the negotiations, Mrs. Rich arrived there with \$65,000 of the forged bonds that her husband used, it is charged, in financing his part of the deal.

The Queen City Bank, of Cincinnati, loaned the associates \$55,000 and the

TOBACCO SECRETS

What Makes the Chico One of the Most and Most Enjoyable Cigars on the Market.

How many people, even among the most confirmed smokers, know what constitutes the difference between a strong and a mild cigar? It is simpler than you think. The strong product is so made that it burns badly, while a mild cigar is one that burns well like the "Wadsworth" Chico.

"These cigars," say Kendrick & Co., the local druggists, "are made from a long Havana filler, carefully selected, with the best hand workmanship, and as they burn freely with a firm, perfect ash, the result is a mild, pleasant and enjoyable smoke."

Six months ago the Chico was not known in Barre, but today it is the most popular cigar in the city, and is the favorite, although it sells for but five cents. Smokers who have heretofore wanted only ten or fifteen-cent goods should step into Kendrick & Co.'s and get a few Chicos. We know you will say, as do other fastidious smokers, that it is the mildest and most enjoyable cigar in the market.

BARGAINS IN MUSIC

Again For Ten Days, Beginning April 30th, We Will Place On Sale Every Sheet of Music in Our Store at 10c Per Copy or Three Copies for 25c.

A PROMINENT EDUCATOR

Declares Vinol Is the Best Cod Liver Oil Preparation.

There has been a good deal of discussion in Barre regarding the merits of cod liver oil preparations, and whether or not cod liver oil and emulsions that upset the stomach have any medicinal virtues. Therefore the following letter from M. A. Cassidy, superintendent of Schools, Lexington, Ky., will be read with interest:

"I am pleased to state that after having used and tested the different cod liver oil preparations on the market, I find Vinol to be far superior to them all. It is palatable and pleasant to the taste, in fact the oily, fishy taste of cod liver oil is done away with entirely, and the nutritive and strengthening properties of Vinol are truly remarkable."

"Vinol built up my system, strengthened my nerves and made a new man of me, and I heartily endorse it as the most efficacious and agreeable cod liver oil preparation on the market."

Mr. Wells of Rickett & Wells, our local druggists, when asked his opinion in regard to Vinol, replied: "We firmly believe Vinol to be the best preparation of cod liver oil, therefore the greatest strength-giver and health-restorer known to medicine today. We have never sold anything in our store equal to Vinol to build up the system, strengthen the nerves, cure indigestion, chronic coughs, colds, bronchitis and incipient consumption, and in making growing children robust and give strength and vigor to the aged, and to make the weak strong and the sick well."

"It is for this reason that we offer to give back the money in every case where it fails." Rickett & Wells, Druggists.

NEW AUSTRIAN PREMIER.

Prince Conrad, It Is Believed, Will Be Asked to Form Cabinet.

Vienna, May 1.—Prince Conrad, of Hohenlohe-Schillingsfuerst, who arrived here from Trieste, yesterday, will, it is believed, be entrusted by Emperor Francis Joseph with the formation of a new cabinet in the place of the ministry headed by Baron (Count) von Frankenthurn, whose resignation is understood to have been accepted.

ALCOHOL OR FAT?

Which Do You Take for Making Flesh? What the System Requires, and How to Supply that Demand.

Much has been written lately against the indiscriminate taking of patent medicines. The chief champions of the people in protecting them against themselves are the Ladies' Home Journal and Collier's Weekly. Both of these publications represent the highest type of magazines, and they are doing excellent work in warning the public of the dangers lurking behind these so-called remedies.

It has been pointed out again and again that most of these "medicines" contain large quantities of alcohol. Now let us ask every reader of this paper whether he or she believes that doing this system with alcohol will produce more "healthy flesh." I venture to say that none will so affirm.

Alcohol produces a temporary stimulation, but its continued use destroys the tissues—eats them up, so to speak. How anyone can imagine that it will build up the system and produce a sound, healthy condition is beyond comprehension.

It takes fat and fat-producing qualities to make flesh—the sound, healthy kind. Something that invigorates and infuses new life. Such an article is Mages's (Malt) Emulsion, a preparation of pure cod liver oil, syrupy, diastase, non-alcoholic, and a hypophosphite of lime and soda. That is all there is in it. There is not even a grain of sugar, such as some manufacturers put in their emulsions. It might be described as an elixir of life, so great is its power to make weak people strong, sound and healthy.

If you wish to protect yourself against the trials of the spring season, take Mages's (Malt) Emulsion. It is a preventive of colds, coughs, bronchitis and pneumonia. It protects you against these because it is a fat and food. Remember nothing else enters into it.

For sale by E. A. Drown, 48 North Main street, Barre, Vt.

PURE BLOOD IS HEALTH

You must have pure, rich, vitalizing blood or you cannot enjoy perfect health. Spring is a season when nearly everybody's blood is somewhat impoverished, as is shown by bad complexion, lack of vitality and a tired, listless condition. A good blood purifier is needed at this time and our

Sarsaparilla Compound

is the most effective and pleasant remedy you can take. It will quickly overcome any disordered condition of the blood and make it rich, red and invigorating. You will avoid skin eruptions, boils, abscesses, rheumatism, and other painful and disagreeable results of impure blood. Price, 75c.

COLLINS' MEN UP A NOTCH

Played Horse With New York Highlanders.

WINNING BY SCORE 13 4

Former Champions Now Tied for Lead of Second Division With Detroit and St. Louis—Boston Nationals Go Down.

By putting the New York Highlanders into a deep sleep yesterday afternoon, Collins' men lifted themselves out of last place in the American league and deposited New York as the tail-enders. It was one of the worst beatings in league base ball this year, the score being 13 to 4. As two other "low-downers" in the standing also won their games, Boston did not make a long step upward, but Detroit, St. Louis and Boston are tied for the lead of the second division. Errors were largely to blame for Chicago's defeat by Detroit, while opportunist hitting gave St. Louis a game over the one-day leaders, Cleveland, by winning from Washington Philadelphia stepped back into first place.

The Champions of the National men romped away with Tenney's men, playing an errorless game and putting back Brooklyn into second place. This time at the hands of Philadelphia, Pittsburgh shut out Cincinnati 3 to 0.

FINAL FIGHT AGAINST BARNES.

Tillman and Culberson to Lead Opposition to Confirmation.

Washington, May 1.—Democrats in the Senate will make a final effort in executive session to prevent confirmation of B. F. Barnes assistant secretary to the President, as postmaster of Washington. Tillman and Culberson will lead in the opposition to confirmation, and a motion will be made to recommend the case to the committee on post offices and post roads.

Senator Tillman considers the post office committee has gone out of its way to seek to whitewash Barnes and to prevent investigation.

Opponents of Barnes are making much of the fact that Chief of Police Sylvester's detectives and secret service men were set to work to dig up evidence against Mrs. Morris' past, especially as to her mental condition.

M. S. CANCELLED.

Because Hardwick Wasn't a Straight Team.

Montpelier, May 1.—The seminary team has cancelled its game that was scheduled for the campus on Tuesday against Hardwick academy. The seminary management wrote to the principal of the academy to the effect that a team of bona fide students would be required, as all the Montpelier seminary men are taking regular work at the seminary. The principal replied that some of the Hardwick men are hired players, hence the seminary cancelled.

Manager Pomeroy states that he might be willing to play the Hardwick team, but that he desired to play it as such, and not as the academy team.

THE ROYAL BOX.

The sultan of Turkey's favorite amusement is playing the violin.

The Prince of Wales killed his first tiger near Jaipur, curiously enough, the very place where King Edward shot his first thirty years ago.

Left handedness has been common in the Prussian royal family for centuries. The crown prince of Germany is the only child of the Kaiser who is not left handed.

Queen Margherita of Italy, widow of the murdered King Humbert, is possessed of a knowledge of dramatic art that would make her the best dramatic critic in the kingdom if she were by chance forced to adopt a profession.

Queen Louise, wife of the new king of Denmark, is the wealthiest princess in Europe. She inherited \$16,000,000 from her maternal grandfather, Prince Frederick of the Netherlands, as well as the bulk of the fortune of her father, King Charles of Sweden and Norway.

The Week.

As a division of time the week has been used in the east from immemorial ages. It does not seem to be a natural division of time, though several periods of animal economy, such as the incubation of eggs, correspond with weeks.

GUARANTEED BY RED CROSS PHARMACY.

Simple Way to Cure Catarrh by Hyomei Without Stomach Dosing.

It is the height of folly to dose the stomach with internal medicines to cure nasal catarrh. It cannot be cured except the catarrhal germs that are present in the nose, throat and lungs have first been killed.

Direct local treatment by inhaling Hyomei through the pocket inhaler that comes with every outfit, is absolutely necessary to kill the catarrhal germs and prevent their growth and formation. The soothing air of Hyomei heals the smothering and raw membrane of the air passages in the nose, throat and lungs, kills off the catarrhal germs and rids the system of the last traces of catarrh.

The complete Hyomei outfit consists of a built up inhaler which can be carried in the purse, or vest-pocket, a medicine dropper, and a bottle of Hyomei, and costs only one dollar, while extra bottles can be obtained for 50 cents, thus making it the most economical treatment for the cure of catarrh, as well as the most reliable.

The Red-Cross Pharmacy positively guarantees a cure when Hyomei is used in accordance with the simple directions on the package, or they will refund the money. This certainly shows their faith and belief in the virtues of Hyomei.

THINGS THEATRICAL.

"Nocturne" is the name of a curtain raiser by Leo Dietrichson and Percy Pollard tried in Baltimore preceding "Before and After."

Virginia Brown was a Belasco star jointly with Mrs. Carter. Blanche Bates and Bertha Gailland. Belasco needs only Margaret Anglin to complete a star quartet.

Julia Marlowe was painfully injured recently at Pittsburg. She was about to step into her carriage when her ankle turned. At her hotel it was found that she would have to remain in bed for several days.

"There is more serious criticism written about the theater than there used to be," declares Clyde Fitch. "I think it is the truth that more men of literary and critical ability are writing dramatic criticism."

The success which Annie Russell continues to enjoy at the Court theater, London, is almost a unique distinction for an American artist. In the realm of refined comedy Annie Russell has few equals anywhere.

Eugene Presbury has completed the dramatization of Sir Gilbert Parker's novel, "The Right of Way," which Lieber & Co. will produce next season, with Kyrle Bellow in the leading role of Beauty Steele.

Seville's "Tower of Gold." Seville, a huge octagon in three stages, was so called by its royal Moorish builders because of its yellow color, which is brilliant in the Andalusian sunlight and moonshine. It was used as a prison by Peter the Cruel.

A NATION OF CRIPPLES RHEUMATISM BEYOND CONTROL

The Only Hope to Rheumatic Sufferers is Uric-O Treatment.

If rheumatism continues to spread as it has in the past few years, it would seem as though we would before long become a nation of cripples. The terrible destructiveness of this disease is apparent on every side of us. Almost nine out of ten of the cripples who have their affliction brought on by Rheumatism. How many thousands more there are that are hopelessly bed-ridden and whom we never see. Rheumatism from the very nature of the disease, can never cure itself and if neglected, is bound to grow worse rather than better. It is in the end, by far the cheapest method. You can test Uric-O free of charge if you wish, just cut out this advertisement and send it to the Smith Drug Co., Syracuse, N. Y., and state that you have never used Uric-O and would like to try it. They will send you a free sample which you can test and try free of charge.

Hardwick's Bad Inning.

The fifth was Hardwick's bad inning, Goddard making five runs, which were his last for the game. Hardwick went out in one, two, three outs and Booth, first up for Goddard, walked and stole second. S. Berry attempted to sacrifice and got better than he tried for, as the catcher threw the ball wild to first, and Booth got clear around home, tying the score, before the ball was fished out from behind the grandstand. The catcher threw wild to second and Hardwick went to third, who nearly went over the center field bank, scoring Knapp and Olsen. Dutton scored the fifth tally on J. Berry's hit, which was too hot for the pitcher to handle. Berry was put out at third, ending the inning.

Foss, the first man up for the visitors in the seventh, made their last run by pounding out a homer. The next three men up were easy outs. Neither side could score in the eighth and Hardwick did nothing in the first half of the ninth. Vivian relieved Smith at short in the middle of the game and Tilden batted for Clark in the eighth.

MANY ERRORS IN THIS GAME

Goddard Defeated Hardwick Academy, 7 4

KNAPP PITCHED WELL

Home Team Touched Up Worthen for Nine Hits, Which Were Helped by Bad Throwing of the Visitors.

Goddard seminary won her second home game of the season by defeating the Hardwick academy nine on the local campus yesterday afternoon by a score of 7 to 4. Both teams played loose ball at times, but on the whole it was an interesting game to watch. Knapp was in the box for Goddard for the first time this season and did good work, striking out ten men and with the exception of the third inning keeping the seven hits made off him well scattered. In the third Hardwick got in four singles which, with errors, netted them three runs. In the seventh, Foss knocked out a clean home run over the right field bank, making Hardwick's last score.

Worthington, who pitched for the visitors, was hit for nine safe ones, of which one was a three-bagger by Dutton. Goddard played the hit and run game, advancing their runners successfully by sacrifice hits and doing some good base running. Besides making a home run, Foss did some star fielding at third, making a sensational one-handed catch of a fly close to the home plate and a running catch of a foul over the bank by third base.

Goddard Started Scoring.

Goddard started the scoring in the second inning. Booth got a free pass to first and went to third on Worthington's wild throw in an attempt to catch him. S. Berry drew four balls and Clark fanned. Smith batted a grounder to Worthington, who failed to stop it, and got first on the error. Booth bringing in the first score, which was the only one in that inning.

The next inning, the third, was Goddard's bad one, and the visitors took advantage of it for three runs. Donald was the first man up and he knocked a grounder to Smith, who threw wild to first. Muleahy batted a grounder to Booth and Dutton dropped the throw, Donald got to third. In running to third Donald jumped into S. Berry and Clark fanned. Smith batted a grounder to Worthington, who failed to stop it, and got first on the error. Booth bringing in the first score, which was the only one in that inning.

The fifth was Hardwick's bad inning, Goddard making five runs, which were his last for the game. Hardwick went out in one, two, three outs and Booth, first up for Goddard, walked and stole second. S. Berry attempted to sacrifice and got better than he tried for, as the catcher threw the ball wild to first, and Booth got clear around home, tying the score, before the ball was fished out from behind the grandstand. The catcher threw wild to second and Hardwick went to third, who nearly went over the center field bank, scoring Knapp and Olsen. Dutton scored the fifth tally on J. Berry's hit, which was too hot for the pitcher to handle. Berry was put out at third, ending the inning.

Foss, the first man up for the visitors in the seventh, made their last run by pounding out a homer. The next three men up were easy outs. Neither side could score in the eighth and Hardwick did nothing in the first half of the ninth. Vivian relieved Smith at short in the middle of the game and Tilden batted for Clark in the eighth.
